MEMORANDUM:

N.O.Coté, Esq., I.S.O.,
Controller.

Separate reports in connection with the various claims to Lots in McKay Settlement have been received from R.B.McKay, D.L.S., and it may be possible to dispose of some of these claims without delay.

A note has been made in our records that when Lots 5 to 9 in this Settlement are available the matter should be referred to the Minister's Office for instructions in accordance with the request dated 25th August, 1915. I may add that no file has been noted in our records in this connection and there is nothing on file beneath to indicate the nature of the instructions to be issued, or the matter in regard to which it is desired to advise this Branch. I think that the Deputy Minister's Office might be informed that this Branch is now in a position to deal with the claims to Lots at this point, and attention called to the memorandum of the 25th August, 1915, mentioned above.

A statement in connection with Lot 8 is submitted on file 3013231, herewith, and a memorandum in connection with each of the remaining claims will be submitted separately later.

Lot 5 has been patented to the Hudson's Bay Company, and Mr. McKay suggests that the Department obtain a surrender of the portion of this lot occupied by Indians and a survey of the same be made this season.

Lot 4. Mr. McKay has surveyed the cemetery on this lot.

Lot 6.contains several buildings which are owned by several claimants and their claims need investigating. A subdivision of part of this lot east of the road may be required.

Lot 10 is partly occupied by Indians and a part by Alfred Benoit. The latter desired the southerly 3 chains of lot 10 east of road. Mr.McKay says he can make the surveys required here on his return trip this fall.

I think the Surveyor General might be informed to instruct the surveyor to make the necessary surveys in each case that will be set forth in a memo. upon receipt of the Deputy Minister's instructions to this effect and that the remaining claims that do not conflict may be dealt with at once.

MEMORANDUM:

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

I beg to submit for your perusal Mr. Taylor's memorandum hereunder, dated 21st ultimo, respecting the claims to lots in McKay Settlement, Alberta.

It will be observed that it is stated therein that "A note has been made in our records that when "lots 5 to 9 in this Settlement are available the matter "should be referred to the Minister's office for "instructions in accordance with the request dated 25th "August, 1915. I may add that no file has been noted in "our records in this connection and there is nothing "on file beneath to indicate the nature of the instructions "to be issued, or the matter in regard to which it is "desired to advise this Branch. I think that the Deputy "Minister's office might be informed that this Branch is "now in a position to deal with the claims to Lots at this "point, and attention called to the memorandum of the "25th August, 1915, mentioned above."

No further action will, therefore, be taken in this matter without specific instructions.

I may add, however, that it is proposed, unless contrary instructions are received, to deal with such claims in this Settlement as do not conflict in the usual way, and to request the Surveyor General, if not too late this season, to instruct Mr. McKay, the surveyor who subdivided this Settlement, to make the necessary further surveys where there are conflicting claims for any of these lots on his return trip this fall.

Respectfully submitted,

Re Lot 4, McKay Settlement, Alberta.
Area 82.1 acres.

I beg to submit for your consideration a statement in connection with the above mentioned lot.

A statutory declaration dated the 27th November 1911 was made by Elzear Robillard before H. S. Day, D.L.S., who made the survey of this settlement in support of his claim to the above mentioned lot. This declaration shows that Mr. Robillard went into bona fide residence thereon in 1899. His improvements on this lot consisted of one-half acre broken and cropped in 1908 and 1909, house 18 x 20, square timber, value $300.00, store-house 15 x 20, value $100.00, workshop 15 x 15, fencing value $10.00.

A report received on the 27th June last was made by R.B.McKay. It reads as follows:-

Lot 4.

"Elzear Robillard died in 1918 and left "lot house marked 8 on sketch to his step-son, Joseph "Robillard. Joseph Robillard has been working for the "Hudson Bay Company for the last four years, and is not "here just now. The house has been unoccupied since "1916. There are no other improvements on this lot, and "I have surveyed out the parcel shown on sketch to be "used as an Indian cemetery. I am told J. Robillard does "not know what land he owns".

I think it might be well to ascertain from Mr. Joseph Robillard whether he desires to acquire this lot before further consideration is given to his claim, and should the survey of the Indian cemetery contained within this lot be approved by the Surveyor General, it should then be transferred to the Department of Indian Affairs. An Order-in-Council will be necessary. No further surveys appear to be required within Lot 4.

Re Lot 6, McKay Settlement, Alberta.
Area 24.8 acres.

I beg to submit for your consideration a statement in connection with the above mentioned lot.

A statutory declaration was made by Mr. James Fraser before H.S.Day, D.L.S., on the 27th November 1911 in support of his claim for this lot. This declaration shows Mr. Fraser is a trader. He first settled on this land in 1900 and resides there six months in each year. His improvements thereon consist of one-half acre broken in 1906 and cropped, a house 18 x 28, square timber, value $300.00, store 18 x 20 and warehouse 10 x 14, value $150.00.

A Homestead Inspector's report dated the 20th August 1915, together with two statutory declarations executed by Messrs. Colin Fraser and Samuel Emerson in connection with Mr. Fraser's claim to Lot No. 6 were received. The Inspector's report reads as follows:-

"Dominion Lands at Edmonton requested by the Agent of "I have been to make a report if I knew "something of this case. The only thing I can state that "I have spent the winter of 1895 and 1896 at Pelican "Portage and I often heard people speaking of the trading "post that Mr. Fraser had at this place. The first time "I saw this trading post of Mr. Fraser was in August 1913.

(Sgd) A. Grey.
Homestead Inspector."

The statutory declaration made by Mr. Colin Fraser is dated the 13th August, 1915, and reads as follows:-

"I established a trading post at Fort "McKay in 1890. There was no one else there at that "time. I have maintained this trading post since then "to date. In 1911 Surveyor Day took a declaration from "my son James Fraser as to his occupancy of this land. "His declaration shows the improvements on this land. "He, however, did not mention my previous occupancy of "this lot and in view of my long and undisturbed possession "I would ask that a free grant issue to me for the area "described as Lot 6 in Day's survey of 1911".

The

The other statutory declaration accompanying the Homestead Inspector's report was made by Samuel Emerson of Athabaska and is dated the 13th August 1915, which follows:-

"I have known Colin Fraser for the past 28 years "and when I first knew him I was engineer on the Hudson's "Bay boat on the Lower Athabaska. I know that in 1890 "and in fact before that time he had a trading post at "what was then called Little Red River, which point was "subsequently named Fort McKay, and further to the best "of my knowledge and belief he has maintained the said "trading post to the present time".

I may add that Mr. Colin Fraser was allowed to purchase Lot 38, Fort Chipewyan. A patent in his name has issued for this lot.

A report which was made by R.B.McKay, D.L.S., this summer has been received. It reads as follows:-

Lot 6.

"James Fraser has not occupied this lot since "1912. I have been informed that he claims to have a "lot here. He is living at Chipewyan now. He owns the "log shack marked 13 on sketch which has been used as a "stable for some years. This building was sold to Colin "Fraser, father of James, about 15 years ago by Louis "Tourangeau, brother of Jonas Tourangeau, and a trading "business was carried on in this shack until 1912. Log "house marked 10 is occupied by Jonas Tourangeau who "claims he has been living in it for 24 years. Log "house marked 11 is his warehouse and his garden is "also shown on sketch. Log house marked 9 was built "by Louis, son of Jonas Tourangeau, and sold to Hudson's "Bay Company, who intend to remove it. Log shack marked "12 was built in 1921 and is occupied by Isadore Lacord, "son-in-law of Jonas Tourangeau. He does not claim any "land. Jonas Tourangeau is of the opinion that he is on "his own lot and would be satisfied with that portion of "Lot 6 lying east of road shown on sketch".

I think that a subdivision of the portion of Lot 6 east of the roadway should be made, providing for each occupant a parcel of land which includes as near as possible his improvements, and it will be necessary to provide access thereto. The Surveyor General might be asked to take this matter up with one of his surveyors. The balance of Lot 6 west of the roadway and a portion of Lot 6 east of the roadway containing the log shack of James Fraser marked No. 13 on the blue print on file would then be available for disposition to Mr. Fraser should he desire to acquire the same.

Re Lot 9, McKay Settlement, Alberta.
Area 28.5 acres.

I beg to submit for your consideration a statement in connection with the claim of Mr. Joseph Robierre to the above mentioned land.

A statutory declaration dated the 11th October 1911 was made before W.S.Day, D.L.S., by Mr. Robierre in support of his claim to this lot. This declaration shows that Mr. Robierre first settled on this lot in 1906. His improvements consist of one-half acre broken in 1911 and cropped, and a square timber house 18 x 16, value $200.00. His stock amounts to three sleigh dogs.

On the 8th January 1916 the Department of Indian Affairs reported that the house and improvements of Francois Boucher were on this lot and the value of the building was $150.00, and asked that the land occupied be set apart as a reserve for the McKay Indians.

A report was made by R.T.McKay, D.L.S., this summer in connection with Lot 9, which reads as follows:-

"Francois Boucher, treaty Indian, claims "the log house marked 22 on sketch. He says he lived in "this house for 20 years and left it last fall. It is "vacant just now. Joseph Robierre has no improvements "on this lot".

A blue print of the sketch accompanying the surveyor's report is on this file beneath. It should be ascertained whether Joseph Robierre and Francois Boucher, treaty Indian, still claim this lot or whether they have abandoned it, before any further action is taken towards its disposal.

Re: Lot 8, McKay Settlement, Alta.
area 17 acres.

Application made August 5th, 1913, by Reverend Father Lacroix, O.M.I., in behalf of the Roman Catholic Mission to acquire the above mentioned Lot.

The entitlement to the Indian title in this district was completed in the summer of 1899.

The application for the church was built on this Lot in 1904.

No statutory declaration was made in connection with this Lot, as the priest in charge of the church at Fort McKay was absent at the time of the survey.

A report in connection with this Lot, dated the 17th of June last by Mr. McKay, D.L.S., was received which reads as follows:-

"There are no white claims to this Lot;
"there is no conflict existing here, but
"service is held several times [illegible] year in the
"church.

The Department requested our approval to deal with such claims, and to report this settlement as do not conflict [illegible], and to request the survey [illegible] if not too [illegible] the season, to instruct Mr. McKay, the curve, or, in case the necessary [illegible] where there are conflicting claims [illegible] these lots on his return trip this fall.

Under the provisions of the Order-in-Council of the 14th July, 1913, the Minister was authorized to dispose of lots in the different Indian settlements to the respective religious [illegible] thereon, [illegible] lots [illegible] previously [illegible] and [illegible] at a rate of not less than $5.00 per acre. Lot 19, McKay Settlement, Alberta.
Area 129 acres.

I beg to submit for your consideration a statement in connection with the claim of Mr. Jean Benoit to the above mentioned lot.

A statutory declaration dated the 7th October 1911 was made before H.S.Day, D.L.S., by Mr. Jean Benoit in support of his claim to this lot. It shows that he first settled thereon in 1879 and his residence on this land has been continuous since that date. His improvements consist of one acre broken in 1879 and cropped in 1910, a square timber house 20 x 20, value $200.00 and a square timber house 16 x 14, value $100.00.

Donald J. Robertson, D.L.S., of the Department of Indian Affairs, reported that several Indians were in occupation of this lot and the Department of Indian Affairs on the 8th January 1916, asked that the land occupied be set apart as a reserve for the McKay Indians.

A report by E.B.McKay, D.L.S., was made this summer in connection with Lot 19, which is as follows:-

"Jean Benoit died some years ago and a son "and daughter survive him. His son Alfred Benoit, trapper, "claims house 23 and says he would be satisfied with the "southerly 3 chains of that part of the lot east of the "road as shown on sketch (Blue print of this sketch is on "this file herewith). The proposed division line was cut "out by me. He says he has lived in this house for 20 "years and at present is living with his sister who is "married to Isadore Simpson, treaty Indian. The balance "of the easterly part of lot 19 is occupied by treaty "Indians. Log house 24 is old and vacant and was occupied "by Louis Boucher, Jr.(called also Louis Nataway Boucher) "for about 15 years, and is still claimed by him. Louis "Nataway Boucher also claims the vacant log house marked "25 which was left him by his brother-in-law St. Pierre "McKay, who died in 1913. Michael Saturnoo lives in log

house

"house marked 26 on sketch. He is a treaty Indian who "says he has lived in this house for 19 years. Log "house marked 27 on sketch is occupied by Adam Boucher. "He has lived in this house for 14 years, and is a treaty "Indian. Isadore Simpson is a treaty Indian, a son of "Katherine Boucher and it is reported his father is Scott "Simpson, a Hudson's Bay Co. any clerk. He is married to "Mary Corinne Benoit and is a trapper and hunter. He "owns log house 28 and has been living in it for the "past 14 years. No improvements exist which have not "been mentioned".

I think the Surveyor General might be requested to instruct a surveyor to lay out for Alfred Benoit the southerly three chains of that part of the lot east of the road, as suggested by Mr. McKay. The balance of the lot east of the road may might be reserved for the Indians located thereon during their occupancy thereof, in accordance with an agreement between the Deputy Minister of the Interior and the Deputy Superintendent General of Indian Affairs, by which it is sufficient, in respect of individual treaty or non-treaty Indians in occupancy of land, that the lands claimed be reserved for them during their occupancy thereof.

Re: Lot 7, McKay Settlement, Alta.
Area 32.5 acres.

I beg to submit for your consideration a statement in connection with the above mentioned lot.

A statutory declaration dated 7th October 1911, was made before [illegible], D.L.S., by Jonas Tourangeau in support of his claim to this lot. It shows that he first settled on this land in 1898, and has performed continuous residence thereon since that date. His improvements consisted of one acre broken in 1910 and cropped in 1911, good square-timber house 14 x 18, value $300. and fencing value $10. He owned 4 cattle & 4 dogs. The extinguishment of the Indian Title in this locality was completed in the summer of 1899, Treaty No.8.

A report by Donald F. Robertson, D.L.S., forwarded here by the Department of Indian Affairs in 1915, sets forth that there are Indians occupying the front portion of Lot 7, viz:- Maurice Boucher, Mrs. Louis Boucher and Joseph Boucher, and on the 8th January, 1916, that Department requested that the lands occupied by them be set apart as a reserve for McKay Indians.

A report by R.S.McKay, D.L.S., was made this summer in connection with Lot 7 in McKay Settlement which reads as follows:-

"Jonas Tourangeau does not live on this lot.
"A small part of his garden is found on it.
"Three treaty Indians are living on this lot
"at present. Louis Boucher, treaty Indian,
"built log house 15 and has lived in it for
"many years. He claims to have lived there since
"a boy. He has a root house marked 16 and a
"garden patch on this lot as shown on sketch.
"The warehouse was built in 1911. Log house
"marked 17 with log cache is occupied by
"Francis Boucher. It was built by Isidore
"Boucher, his brother, who died in 1919 without
"children and the house was left to Francis.
"Mrs. Maurice Boucher is living in log house
"marked 20. She also owns the old log house,

now.....

1

"how vacant, marked 18 on sketch and is
"building another marked 19 and owns the
"garden shown on sketch. She is the widow of
"Maurice Boucher, Indian chief who died in 19[illegible],
"who was the brother of Louis Boucher and uncle
"of Isadore and Francis Boucher, all treaty
"Indians. Log house marked 14 is occupied by
"Edward Lowe, trader. It is owned by Alex
"Morton now resident at Chipewyan, who bought it
"from Isadore Boucher, treaty Indian who sold
"no one only."

Lot 6 reads:- A report by Mr. Mosey in connection with

"James Fraser has not occupied this lot since
"1913. I have been informed that he claims to
"have a lot here. He is living at Chipewyan now.
"He owns the log house marked 13 on sketch which
"has been used as a stable for some years. This
"building was sold to Colin Fraser, father of
"James, who is James and Louis Tourangeau,
"brother of Jonas Tourangeau, and a trading
"business was carried on in this shack until 1913.
"Log house marked 10 is occupied by James Tourangeau
"who claims he has been living in it for 24
"years. Log house marked 11 is his warehouse
"and his garden is also shown on sketch. Log
"house marked 9 was built by Louis, son of Jonas
"Tourangeau, and sold to H.B.C., who intends to
"remove it. Log shack marked 12 was built in 1911
"and is occupied by Isadore Record, son-in-law
"of Jonas Tourangeau. He does not claim any land.
"Jonas Tourangeau is of the opinion that he is on
"his own lot and would be satisfied with that
"portion of lot 6 lying East of road shown on
"sketch."

A recommendation in connection with Lot 6 was submitted on the 14th instant that a subdivision of the portion of Lot 6 east of the road should be made providing for each occupant a parcel of land which will include, as nearly as possible, his improvements with access thereto.

By referring to the blue print underneath which was made from the sketch accompanying the report of J.S.Mosey, D.L.S., it will be seen that Louis Tourangeau's improvements lie within Lots 6 and 7 and a portion of Lot 7 containing his improvements might be included in the parcel to be surveyed for him.

The house of Isadore Record is partly on Lot 6 and partly on Lot 7. The parcel to be surveyed for him will therefore include a small portion of each lot. This case might also be referred to the Surveyor General for action in regard to making the necessary survey.

When the subdivision survey has been made the parcels may be disposed of to the respective occupants thereof in accordance with the usual practice.

Re: Lot 5, McKay Settlement, Alta.
Area 9.33 acres.

I beg to submit for your consideration a statement in connection with the above mentioned lot.

No statutory declaration was made before the surveyor, H.S.Day, D.L.S., in 1911, in connection with this lot. A previous survey of the Hudson's Bay Company's Fort McKay post was made in December, 1898, by Geo. A. Payne, D.L.S. It contained 9.44 acres. A plan of this survey is on record in the Department under No.8 56. The land included within this post was patented to the Hudson's Bay Company on the 14th May, 1914, and is practically Lot 5 of McKay Settlement which is shown on the plan of the Settlement as containing 9.33 acres.

A report by Donald J. Robertson, D.L.S., of the Department of Indian Affairs, was forwarded here by that Department. It reads as follows:-

"In laying out this settlement and taking
"declarations from squatters the rights of
"Indians here appear to have been disregarded
"by the Surveyor of the Department of the Interior.
"Lot 5. This lot is shown on the settlement plan
"as belonging to the Hudson's Bay Co. On this lot
"are two Indian houses and families, which have
"existed there even previous to the first Hudson
"Bay post at that point. One of these belongs to
"Chief Adam Boucher, who has had his residence
"there long previous to Treaty, in fact for
"20 or 30 years. This information I consider
"authentic, since I obtained it not only from
"Boucher himself but also from Jno. McDonald
"who was one of the first, if not the first man
"in charge of a trading post at Fort McKay for
"the Hudson's Bay Co., and he stated that Adam
"Boucher was in possession of his location before
"the Hudson's Bay Co. first trader there.
"Chief Boucher stated that when the H.B.Co.
"surveyor was there about 1898, he promised Boucher
"that the south boundary of the Hudson's Bay would
"not interfere with his property and the line run
"me this summer is in the approximate position o

"the.....

"the boundary then agreed upon by Boucher
"and the Hudson's Bay Company. (Value of
"Boucher's house and warehouse $450.00-
"other house $150.00).

"The inclusion of two old Indian houses in
"the Hudson's Bay Company's lot by the Hudson's
"Bay Company surveyor in 1896, I consider a
"most highhanded and unnecessary proceeding."

The Department of Indian Affairs forwarded here Mr. Robertson's report with a letter dated the 18th January, 1916, requesting that all the lands claimed by Indians in this settlement be set apart as reserved for the McKay Indians.

A report was made by R.P. McKay, D.L.S., this summer, which follows:-

"The sketch map enclosed shows the location of
"all buildings existing on this and lots 4-10
"inclusive. The buildings are numbered and
"consist generally of log dwellings of about
"$50.00 value. Referring to Lot No. 5, the log
"dwellings marked 1 and 2 are claimed by Michael
"Caien, treaty Indian. Michael Caien is the
"step son of A. Boucher, late Indian chief who
"died in 1916 without children. Michael Caien
"was born at Chipewyan about 40 years ago and
"lived with his step-father, A. Boucher, on this
"property since he was a boy. At the present
"he is living with his family in log house marked 1,
"about 14'x16' which was built about 15 years ago.
"Log house marked 2 is the one occupied by the
"former chief and appears very old. It is about
"16'x24' and is now a store-house, etc. Michael
"Caien was left everything by his step-father whom
"he claims settled on this lot before the Hudson
"Bay Company, and is not willing to move elsewhere
"and no suitable parcel of land is available in
"the vicinity. I cut out the line marking the
"proposed division and he said he would be satisfied
"with it. The Hudson Bay Company are not making
"any use of the parcel upon which he is located.
"The Hudson Bay Company own buildings marked 3,4,5,
"6 and 7 on sketch. The local representative has no
"authority to settle this case and I would suggest
"that the Department immediately consult with the
"Lands Department of the Hudson's Bay Company at
"Winnipeg and if satisfactory I will survey the
"southerly 5.34 chains of Lot 5 for the Department
"of Indian Affairs on my return trip this fall."

The above mentioned parcel would contain 3.55 acres.

This.....

This Hudson's Bay Company's post is not one that is included in the list attached to the Deed of Surrender, but in accordance with the terms of the Agreement other post lands actually possessed and occupied by the Company at the time of the acceptance of the Deed of Surrender might be obtained by the Company, but such lands had to be selected within one year of the acceptance of the proposed Deed of Surrender.

The parcel of land required was to be of the shape of a parallelogram, the frontage of which was not to be more than half the depth. I am not in a position to say when the land at this post was selected but the survey thereof was made by Dominion Land Surveyor Bayne in 1895, and the plan of the survey was approved by the Surveyor General and the patent issued to the Company in conformity therewith. The plan in addition to the Hudson's Bay Company's buildings shows that there are four Indian houses included within the limits of the land surveyed for the Company's post.

The survey of the post at this point was made by D.L.S. Bayne for the Hudson's Bay Company presumably in conformity with the instructions of the Surveyor General, the extent of the land to be selected and surveyed was not set out in the Deed of Surrender and the shape of the land surveyed is not in accord with such Deed as the river frontage is much longer than the depth; moreover, it would appear from the statement made by Dominion Land Surveyor Robertson of the Department of Indian Affairs, that the Company at the time it had the survey made agreed with the Indian chief, Boucher, that the southern limit of the Company's post should be 5.34 chains north of its position as surveyed in order that the land occupied by the Indians should not be included in the post.

I think the Company should be corresponded with and the situation clearly set before it in an endeavour to have the Company revest in the Crown the part of the post reserve south of the boundary line just mentioned and then this portion might be reserved for the Indians in occupancy, during their occupancy of the land.

I may point out that the Department of Indian Affairs is anxious to have this matter cleared up.

MEMORANDUM:

N. O. Cote, Esq., I.S.O.,
Controller.

Re Part of Lot 6, McKay Settlement, Alberta. Area 4.20 acres.

I beg to submit for your consideration a statement in connection with the above mentioned lot.

A statutory declaration was made by Mr. James Fraser before H. S. Day, J.P., on the 27th November, 1911, in support of his claim for this lot. This declaration shows Mr. Fraser is a trader. He first settled on this land in 1900 and resides there six months in each year. His improvements thereon consist of one-half acre broken in 1906 and cropped, a house 18 x 28, square timber, value $[illegible], store 18 x 2[illegible] and warehouse 1[illegible] x 14, value 150.00.

A Homestead Inspector's report dated the 20th August, 1915, together with two statutory declarations executed by Messrs. Colin Fraser and Samuel Emerson in connection with Mr. Fraser's claim to Lot 6 were received. The Inspector's report reads as follows:-

"I have been requested by the Agent "of Dominion Lands at Edmonton to make a report "if I knew something of this case. The only "thing I can state that I have spent the winter "of 1895 and 1896 at Pelican Portage and I often "heard people speaking of the trading post that "Mr. Fraser had at this place. The first time "I saw this trading post of Mr. Fraser was "in August 1913.

(Sgd.) A. Grey,
Homestead Inspector."

The statutory declaration made by Mr. Colin Fraser is dated the 13th August, 1915, and reads as follows:-

" I established -

" I established a trading post at Fort "McKay in 1890. There was no one else there at "that time. I have maintained this trading post "since then to date. In 1911 Surveyor Day took a "declaration from my son James Fraser as to his "occupancy of this land. His declaration shows the "improvements on this land. He, however, did not "mentioned my previous occupancy of this lot and "in view of my long and undisturbed possession I "would ask that a free grant issue to me for the "area described as Lot 6 in Day's survey of 1911."

The other statutory declaration accompanying the Homestead Inspector's report was made by Samuel Emerson of Athabaska and is dated the 14th August, 1915, which follows:-

"I have know Colin Fraser for the past "28 years and when I first knew him I was engineer on "the Hudson's Bay boat on the Lower Athabaska. I "know that in 1890 and in fact before that time he "had a trading post at what was then called Littled "Red River, which point was subsequently named Fort "McKay, and further to the best of my knowledge and "belief he has maintained the said trading post to "the present time."

I may add that Mr. Colin Fraser was allowed to purchase Lot 38, Fort Chipewyan. A patent in his name has issued for this lot.

A report which was made by E. H. McKay, D.L.S., this summer has been received. It reads as follows:-

Lot 6.

"James Fraser has not occupied this lot "since 1912. I have been informed that he claims to have a lot here. He is living at Chipewyan now. "He owns the log shack marked 13 on sketch which has "been used as a stable for some years. This building "was sold to Colin Fraser, father of James, about "15 years ago by Louis Tourangeau, brother of Jonas "Tourangeau, and a trading business was carried on in "this shack until 1912. Log house marked 10 is "occupied by Jonas Tourangeau who claims he has been "living in it for 24 years. Log house marked 11 is "his warehouse and his garden is also shown on sketch. "Log house marked 9 was built by Louis, son of Jonas "Tourangeau, and sold to Hudson's Bay Company, who "intend to remove it. Log shack marked 12 was built "in 1921 and is occupied by Isadore Lacord, son-in-law "of Jonas Tourangeau. He does not claim any land. "Jonas Tourangeau is of the opinion that he is on his "own lot and would be satisfied with that portion of "Lot 6 lying east of road shown on sketch."

Mr. McKay's report shows also that Mr. Jonas Tourangeau is living on Lot 6, east of the roadway and owns the house and warehouse numbered 10 and 11 on the blue print beneath, also a garden which extends into Lot 7 as well.

Under the provisions of the Order-in-Council passed on the 14th July, 1919, the Minister was authorized to dispose of lots in the different northern settlements to the respective applicants therefor, without such lots having been previously inspected and valued at a rate of not less than $3.00 per acre. Some of the lands in this settlement have been sold at the rate of $5.00 per acre. It might be decided to grant Mr. Jonas Touran;eau permission to purchase all that portion of Lot 6 extending from the eastern limit of the roadway crossing this lot to the left bank of Athabaska River, containing an area of 4.20 acres. No patent fee would be required in this case.

Mr. Tourangeau has occupied this land for the past 24 years. It would appear therefore that he is entitled to a free grant of the portion of Lot 6 occupied by him, in virtue of his occupancy thereof at the date of the exting ishment of the Indian title in this locality (Treaty No. 8) under the provisions of Section 76 of the Dominion Lands Act.

I beg to recommend, therefore, that the authority of the Governor in Council be obtained sanctioning a free grant to Mr. Jonas Tourangeau of all that portion of Lot 3 extending from the Eastern limit of the raodway crossing this lot to the left bank of Athabaska River, containing by admeasurement 4.20 acres more or less, and for the issue of a patent for the same.

Re Lot 5, McKay Settlement,
Alberta.

The above mentioned lot was patented to the Hudson's Bay Company as post land on the 12th May, 1914.

A report received in this Department from Donald F. Robertson, Chief Surveyor of the Department of Indian Affairs, sets forth that there are two Indian houses situate on the lot, one of them being occupied by Chief Adam Boucher and that he had been residing thereon long before the Treaty, and that Mr. Robertson had obtained information from Mr. John McDonald one of the first, if not the first, man in charge of the Hudson's Bay Company's post there that Chief Boucher had been in occupation before the first trader for the Company went there.

Encl. It appears that when the late Mr. Payne, surveyor for the Company, was there about the year 1898 he promised Boucher that the south boundary of the Company's post would not interfere with his property and that this boundary would be 5.34 chains north of the south boundary of the lot as surveyed in order not to include any of the land occupied by the Indians.

In view of these facts it is suggested that the Company execute a transfer in favour of His Majesty in the right of the Dominion of the southerly 5.34 chains of this lot and after the receipt of the same this Department will take the necessary steps to have a Certificate of Title issued in accordance with such transfer so that the rights of these Indians may be safeguarded.

I enclose for your information a copy of a report received from D. F. McKay, D.L.S., in this connection.

DOMINION LANDS ADMINISTRATION

OTTAWA, 14th August, 1928.

Sir,-

S.E. 4 Sec. 12 Tp. 62 Rge. 5 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1923, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

the 21 day of June, 1912
and I now ask to have said entry cancelled for the following reasons, namely:—

(Here state reasons) On account of ill health I have been unable to live on my homestead and cultivate the land as required by the Dominion Lands Act. I have been under the care of a doctor for the past year and he has advised me to leave the country as the climate does not agree with me. I have therefore left my homestead and have no intention of returning to it.

(Here state nature and value of improvements and give area of breaking and cultivation each year.) I have erected a house 12 x 20 ft. and a stable 10 x 12 ft. on the land. I have broken 30 acres and have cultivated 15 acres of the same.

(Here state if application is to immediately re-enter for other land.)

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act

Sir,

N.½ 23-27-18-W.4th Mer.,
Homestead Aubrey T. Bell,
Deceased Soldier,

In further reference to your letter of the 9th October last, I beg to advise you that as the Department has received evidence of the death in action of your son, Aubrey T. Bell, who held the above land under homestead entry, it has been decided that action will now be taken to have patent for this land issue in the name of the deceased without calling for the performance of any further settlement duties.

You will be notified of the issue of patent which will be forwarded to the Registrar for the Land Registration District in which the land is situated and in order to obtain transfer of title it will be necessary to comply with the requirements of that official with regard to Letters Probate of Will or Letters of Administration. In case you have not already obtained administration of your son's estate, I may advise you that the Province of Alberta has made provision for assisting the heirs of deceased soldiers in administering the estates of their deceased relatives. For further information in this connection you might communicate with the Secretary of the Estates Branch, Alberta Returned Soldier Commission, Edmonton, Alberta, describing the above land and giving your son's regimental number.

Your obedient servant,

Thomas G. Bell, Esq.,

DOMINION LANDS ADMINISTRATION

OTTAWA, August 2, 1928.

Copy to A...L. Edmonton,
Ref. #161685.

Sir,-

N.W. ¼ of Sec. 16 Tp. 63 Rge. 5 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Sir,-

N.W. ¼ Sec. 31 Tp. 59 Rge. 16 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Wasyl Warzan, Esq.,

File No. 3-1626.

Office of the Chairman

OTTAWA - JAN 21 1925

Memorandum:

Request for Transfer of Dominion Land under Section 27 of the Soldier Settlement Act.

Re: Ralph Wootton,
S.W.¼ 20-16-8 W. 4th M. (S.G.)

The above-described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in January, 192[illegible], and in due course secured advances from the Board amounting to $[illegible], as follows: removal of encumbrances, $79.15; permanent improvements, $775.55; stock and equipment, $[illegible]; special advances, $[illegible]. As security the Board holds a charge on the settler's soldier grant. The only other land security in this case is title to the S.W.¼ 15-16-9 W. 4th Meridian.

In November, 1923, the Field Supervisor reported that on visiting the location he found that the settler had abandoned the property and advised it was out of the question to attempt to keep this settler on the farm. The settler was requested to call at the District Office and advised that reduced transportation would be forwarded him. He declined to attend for an interview and requested that Quit Claim Deed would be forwarded him for signature. This document was forwarded to the settler and was returned duly executed on the 28th February, 1924, the settler's agreement with the Board was rescinded pursuant to the Quit Claim Deed executed by him.

The settler's indebtedness amounts to $3316.04. The soldier grant was appraised some time ago at $715.00. The valuation placed on the quarter-section to which the Board holds title is $140.00. No arrangements have been made for the disposal of this land but an offer of $500.00 was received for the soldier grant quarter. This property is situated in an abandoned district. The few farmers remaining there are mostly sheep ranchers but even sheep raising in this district is difficult on account of lack of permanent water supply.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the said land be forfeited and the said right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler after the date of entry, for his soldier grant.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a.

Chairman.

" South West 22-54-3-W5.	4 "

All these fractions abutt on the Lake Shore of Lac St. Anne, a lake forty miles west of Edmonton.

I desire to make application to purchase these

fractions from the Government on behalf of Stanley Winther Cews and myself, William Antrobus Griesbach. Will you be good enough to let me know the terms upon which a purchase may be effected of these fractions.

Sir,-

S.E. ¼ of Sec. 32 Tp. 82 Rge. 6 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

I would further point out that as you obtained entry after the new Act came into force you must earn patent by cultivating your land, i.e. at the time the stock clause was rescinded, and as part of your residence has been performed with your brother, you must break not less than 30 acres, and crop not less than 30 acres of the land. you decide to favourably consider a sale of the land at this point for divisional purposes to this Company, there is apparently no reason why the above mentioned lands should not be sold to the Company at the rate of $3 per acre.

The fractional W½ 26 is the homestead of S. Torgerson. Cancellation proceedings were instituted on the 8th January last, but are at present held in abeyance pending a Homestead Inspector's report. According to the homesteader's declaration as contained in his declaration of abandonment, dated 15th April last, he has been in continuous residence since the 4th January last and has 2 acres cultivated and $275 worth of buildings. His entry is apparently in good standing, and I beg to recommend that the proceedings be abandoned, and if the Company's application be favourably considered that it be allowed to purchase this land at $3 per acre.

The fractional NE¼ 27, south and east of the river, stands as a sale to A. E. Weir but has not yet been paid for in full. If the Company's application is approved it would have to secure a deed of transfer from Mr. Weir and complete the payment of principal and interest due the Department in connection with the sale to him. In this case no additional charge should be made for the land. The fractional NE¼ 27, south and east of the river, stands as a sale to Mr. S. Torgerson, subject to his earning patent for his homestead, the W½ 26. The Company has sent here an abandonment in its favour, but I think a deed of surrender transfer would convey a better title. In this case the Company must complete the payments of principal and interest in connection with the sale to Mr. Torgerson and no additional charge should be made for the land.

Respectfully submitted,

In the 2nd April,1913, a patent was issued to the Canadian Pacific Railway Company in the following terms:-

"Being in the twenty-first township in the first range west of the fifth meridian, and containing by admeasurement one hundred and two and fifty hundredths acres, more or less."

The section is fractional because it is cut by the Bow River, and the area which was stated in the patent was based on the plan of the township which was in existence at the time of the issue of the patent. An extract of that plan called the first edition is sent you herewith.

The surveys in this township were not accurate and a new survey was made, and I also enclose you an extract from the present plan known as the sixth edition corrected. You will observe by the latter plan that

OTTAWA -

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Leonard Jones,
N.W.¼ 19-24-2 W.4th M. (S.C.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 15th February, 1924, the settler secured advances from the Board totalling $20.00 for stock and equipment. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a mortgage on the S.W.¼ 30-24-2 W.4th M., the settler's privately owned quarter.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler dated the 28th January, 1929.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 19-24-2 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant, the N.W.¼ 19-24-2 W.4th M., which was transferred from the N.W.¼ 16-24-3 W.4th M.

A Vesting Order for signature is attached hereto.

Township 61 *Range* 3 *West of the* 5th *Meridian.*

I, A. Michael

of St.Maries, Benewah County, State of Idaho, U.S.A.
do solemnly declare:—

That I made entry for the above-mentioned land as a Farmer

at the Dominion Lands Office at Edmonton, Alberta on

the 8th day of February, 19x23, and I now ask to have said entry cancelled for the following reasons, namely:—

My reason for wanting to abandon the land, is that I was almost entirely surrounded by a Clan of Hollanders, which made it very undesirable from a social standpoint, these people being of a very clanist nature.

Fourteen months steady homesteading with family on the place from February 8th,1923 to April 7th,1924.

I broke up and put into cultivation 5 acres - backsetting the same - value $25.00. To work and material put into dwelling house - $30.00. Walls of barn - $10.00. To a bored well, 26 inch hole, 32 feet deep, at $2.25 per foot - $72.00. To 400 tamarack fence posts, value ---- for fencing 3 acres of land.

Yes, expect to re-enter other lands not later than next Spring.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

Memorandum,

I beg to return, herewith, reference No. 6628 respecting Lot No.41, Shaftsbury Settlement, and to say that the Homesteader, Mr. A.L. Brick, was permitted to abandon this Lot and scrip thereon, and two scrip notes for 80 acres each, in the name of Louis Couture and James Oman respectively, were subsequently located on the Lot, but as scrip note No. A-10167 for 80 acres, in favour of James Oman, of Fort Churchill, does not appear to have been located by the grantee thereof, the circumstances in connection with such location must be enquired into before the same can be confirmed. This action is now being taken.

I may add that no assignments from the half-breeds have as yet been filed in the Department.

Respectfully submitted,

Chief of Branch.

25th January, 1913

Sir,

With reference to your return reporting the location of Half-breed scrip note No.A10109 for 80 acres by James Oman on part of River Lot 41, Shaftesbury Settlement, which lot was previously held under homestead entry by Mr. A.L. Brick, who was permitted to abandon his entry in order to have Half-breed scrip located thereon in his interest, I am directed to say that such scrip note does not appear to have been located as required, by the Grantee of the scrip note above referred to, which was issued to James Oman, of Fort Churchill. In the declaration taken by you from Mr. Oman you should have obtained, for the purpose of his identification, the full names of his father and mother, the date and place of his birth and also where he had been living each year since his birth, and such other information as might have been considered of assistance in establishing his identity when comparing such statement with the particulars of the case, on file here, which were obtained from the applicant for scrip when his application was made before the Commissioner who investigated his claim. If possible a new declaration should be obtained from the locator of this scrip

The Agent of Dominion Lands,
Grouard, Alta.

scrip note giving all the particulars above indicated.

It is observed that in the declaration made by Mr. Lewis J. Raty in this case he states that James Oman, the applicant to locate the scrip in this instance, was the son of William Oman and Marguerite ---- and that he was living in Edmonton, but formerly lived at Prince Albert. These statements are incorrect so far as they relate to the grantee of the said scrip note.

Under these circumstances this location cannot be confirmed and I am to request you to have the matter carefully investigated as soon as possible, in order to ascertain whether or not the said scrip note was located by the grantee thereof or whether it was located by personation.

I may add that Mr. Brick has been advised that enquiry is being made into the circumstances of the location of this scrip before the same can be confirmed.

Assistant Secretary.

Sir,

With reference to the Assistant Secretary's letter of the 13th January last, respecting the location of Half-breed scrip note A10109 for 80 acres by James Oman upon part of Lot 41, Shaftesbury Settlement, I beg to inform you that on the strength of certain evidence, which has been filed in the Department, the location of the scrip in question upon the said lot has been confirmed, and the assignment from Mr. James Oman to Mr. A. L. Brick has been registered, as well as the assignment in his favour from Louis Couture, who also located his 80 acre scrip on part of the said lot 41. Patent for the whole of Lot 41, Shaftesbury Settlement, is in course of preparation in Mr. Brick's name and when completed will be forwarded to the Registrar at Edmonton, notice of which action when taken will be sent the patentee.

OTTAWA, 9th July, 1928.

Sir,-

¼ N.E. Sec. 25 Tp. 59 Rge. 15 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sirs:

Mr. William Turner Maxwell, father of F. W. Maxwell, the entrant of the above mentioned land has instructed us to take the necessary proceedings to secure Letters of Administration to the above estate.

We would be glad if you would have patent issued in the name of the deceased and forward to the Land Titles office here unless we will file the Letters of Administration at the Land Titles and have title property transmitted in the name of the Administrator. We have found it better and more expeditious in handling matters of this kind and we presume that it will be equally satisfactory to you to issue patent in the name of the deceased rather than to wait until we could forward you the Letters of Administration in order that you could issue title

The Soldier Settlement Board

Office of the Chairman

Canada. Ottawa, 7th February, 1928.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. Frederick Gall,
N.E. ¼ 5-73-7-W.4th M. (Red.)

The above described land is the unmortgaged homestead of this settler.

The settler has obtained advances from the Board totalling $[illegible], as follows: Land purchase, $[illegible]; stock and equipment, $[illegible]; special advances, $[illegible]. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the W.½ 5-73-7-W.4th M. which was purchased by the Board for the settler.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated the 9th April, 1927.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1141, empower the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented quarter section held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued in the name of the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he desire to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E. ¼ 5-73-7-W.4th M. be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

Chairman.

Minister of the Interior,

Dear Sir;- Re; Frederick Saul: N.E.5-73-7-6, SW.28-77-4-6; Your Files 2613863 and 5482134.

I have for acknowledgment your letter of September 9th.,1930, with reference to Board Order #2441, in which you state that the sale of the NE.5-73-7-6, has fallen through. You further advise that Frederick Saul abandoned his entry to the SW.28-77-4-6.

In as far as further consideration of an adjustment with respect to the NE.5-73-7-6 is concerned, it will be, as you say, necessary that an application be made by the Soldier Settlement Board at some future time.

In as much as the recommendation of the Board has been made to the effect that Saul be released from further liability under his personal covenant, and that no part of the Dominion claim be retained against the SW.28-77-4-6, that this part of the adjustment will need no further consideration by the Board.

Sir,-

S.E. ¼ Sec. 8 Tp. 73 Rge. 7 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that by amendment to the Dominion Lands Act has been passed granting those settlers who had obtained letters patent for their homesteads, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the party to whom letters patent for the quarter section of land above described, and being the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

OTTAWA - 16th January, 19[illegible].

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

RE: Alfred Wright, #1039372.
S.W.¼ 26-53-8-W.5th.M. (S.G.)

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $1300. the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Wright requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Wright states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter of the Secretary of the Department to the settler dated the 14th August, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board, as approved by the Governor in Council on the 4th day of June, 1921 (P.C. 1021) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ of 26-53-8-W.5th.M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

DOMINION LANDS ADMINISTRATION

OTTAWA, 27th August, 1928.

Sir,-

S.E. ¼ Sec. 26 Tp. 62 Rge. 2 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Alexandre Lefebvre, Esq.,

OTTAWA, 4th October, 1923.

Sir,

Re S.W.½ 31-60-26. W.4th M.,
Soldier Grant - Harry McPherson.

I am directed to call for a report with reference to the disability of Harry McPherson, formerly No.437558 - C.A.F.

This man made entry on the 26th January, 1920, for the quarter-section above mentioned as a soldier grant in connection with which he undertook to perform the settlement duties prescribed by the Dominion Lands Act. It has been represented by the Great War Veterans' Association that owing to disability Mr. McPherson will be unable, in any case for the present, to undertake the performance of his residence duties, and relief is sought by way of remission of residence on condition that additional improvements be made on the land.

The regulations make no provision for a compromise on the terms suggested but if it is established that the disability complained of has been aggravated or has suffered a recurrence such as to prevent Mr. McPherson from fulfilling his residence duties the question of waiving residence by Order in Council might be considered. Under the circumstances, a report is desired as to the nature and extent of his disability in January 1920, and whether there has been any marked development since. It is represented that Mr. McPherson is suffering from heart and nervous trouble for which he receives a pension.

Your obedient servant,

Secretary.

Ottawa, 8th. October, 19 [illegible].

The Secretary,
Department of the Interior,
Ottawa, Ontario.

[illegible] H.McPherson.

Dear Sir,-

Receipt is acknowledged of your letter of October 4th. in reference to the [illegible] originally named.

Please be advised that this man was awarded in August 1919 a pension at 5% for a condition of bronchitis. This was continued in November 1920 at 5%. The examination completed at that time did not indicate any difference in the man's condition between August 1919 and November 1920. In March 1922 continued at 5%, a functional condition being added to the other disability.

In February 1923 pension was increased to 25%, as report indicated that his nervous condition had become worse.

Reports on this file would indicate that this man was employed with the Edmonton Street Railway from November 11th. 1919, at least up to February 1924, his employment with that company being continuous. There would appear to be no indication from the reports on file of any condition which would prevent this man from completing his residence duties.

The Deputy of

The Committee of the Privy Council have had before them a Report, dated 10th September, 1927, from the Acting Minister of the Interior, submitting that Mr. Harry McPherson was granted Soldier Grant entry for the South West quarter of Section 31, Township 60, Range 26, West of the 4th Meridian, on the 26th of January, 1920.

The evidence on file shows that the entrant has completed the necessary cultivation duties, having forty-two and a half acres broken and cropped on the Soldier Grant. The other improvements on the Soldier Grant consist of one and a half miles of fencing, value $150.00.

Mr. McPherson has performed various periods of residence but not sufficient to count for one full term in any one year.

The Board of Pension Commissioners for Canada reported on the 3rd of January, 1927, that Mr. McPherson is in receipt of pension at 25% for a condition of psycho-neurosis, incurred on service.

The Minister submits the annexed copy of an extract from a communication from Dr. W.O. Gliddon, Board of Pension Commissioners, and recommends in view of the statement contained therein, the residence required by the Dominion Lands Act be dispensed with in
